About the College

St. Teresa's College (Autonomous) Ernakulam, Kerala, is a pioneering institution committed to the cause of higher learning of women and their empowerment through excellence in teaching, learning and research. Womens' education is a crucial factor that contributes to nation-building, and for the past ninety five years we have been educating young women from different stratas of our society. The Institution envisions a life oriented education that empowers students through a humanizing and liberating process, to be agents of transformation and development at different levels of life.

About the Library

The Golden Jubilee Memorial Library is situated in the central campus of St. Teresa's College, Ernakulam Kochi, Kerala. St. Teresa's College is an Arts and Science College for Women affiliated to Mahatma Gandhi University, Kottayam, Kerala. The College library is the key resource of information for the academic community. The Library at St. Teresa's started functioning in 1925 with the birth of the college. Initially named the Mother Veronica Library in honour of the memory of the Superior General of the CSST congregation, it underwent many remarkable changes through the years. The Library was housed in the Main Block in 1975 when the college celebrated its Golden Jubilee. The Golden Jubilee project was completed in 1981 when the library achieved a form similar to that which it enjoys today.

About the Webinar

You always want to submit an excellent research paper for publication in your desired journal. Be it an abstract, a research paper, a research proposal or a thesis, the way you present the data and your style of writing speak volumes about you. Since it is absolutely necessary to submit a well-written research paper, the way in which you communicate your research is as important as conducting solid academic research. This webinar specifically focuses on the pertinent aspects of research and will discuss the trends in research, research and writing skills, data analysis, publication ethics and the various aspects you need to consider while publishing.
